

Whyte Road to Joint Road_Quetta (to enhance the link between Civil Hospital & Bolan Medical Complex)

Bridge Connecting Whyte Road to Joint Road, Quetta

The Cost of Consultancy Services is Rs: 740,000.00

Joint road and Whyte road are required to be connected by flyover bridge to avoid level crossing at Chamman Phattak which is cause of traffic congestion at rush hours. This project is initiated to enhance the communication like between Civil Hospital and Bolan Medical Complex. Scope of Service includes Detailed Topographic Survey, Soil investigations, Preparation of detail design and drawings, Tender Documents, Specifications, BOQs, Engineer's estimates, PC-1 besides, etc.
